What we aim for

We aim to meet the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. That is a goal, not a certification. This page does not claim that the site has been formally audited, certified, or found fully conformant.

Examples of how we work toward that goal include providing text alternatives for important images where we can, using headings and labels, offering keyboard access to main navigation and forms, and aiming for readable contrast. Some third-party content, such as a news photograph, a YouTube player, or a Wix-hosted feature, is outside the chapter's full control.

If you have trouble using the site

If you have trouble reaching information or completing a form on this site, please write the Keeper of Records at KeeperofRecords@kappamemphis.com. Tell us the page you were using and what went wrong, and we will work to help you get the information or complete the request another way.
